Transportation

Parents or guardians are responsible for transportation to and from classes.

Registration

Registration will be on a first-come, first-served basis. Students may register for two consecutive courses and should indicate one alternate course. Although every effort will be made to honor student's preferences, a course may be closed when the enrollment limit is reached, or cancelled when there is insufficient enrollment. Late applications will be considered only if there are vacancies in the desired classes.

Instructors of these courses are planning individualized instructions according to skill, age and interest of the students involved.

This year, the calendar fell in a way that we were able to incorporate a make-up day on April 6th. However, if there is more than one whole program cancellation, due to inclement weather or a major disaster, etc., there will NOT be an additional make-up day. There are NO REFUNDS. Also, if your child is unable to attend on any given week, there are also no refunds.
